

2023 Tooele Storage Sunchaser 6hr Endurance Race

Thank you for registering

NASA Utah is excited to host this round of the Western Endurance Racing Championship on the 3.1 mile Outer Loop of the Utah Motorsports Campus.

We'll be following the latest version of the NASA Endurance Racing Regulations available from members.drivenasa.com/rules.

Below are the supplemental rules for this event. If there is any overlap, the rules below will be followed.

- **MANDATORY DRIVER'S MEETING:** There is a **mandatory** driver's meeting Saturday 7/29, Location and Time will be listed on the schedule. **At least one representative from your team MUST attend this meeting. Penalty will be Starting from back of field.**
- **Black Flags:** Corner stations showing black flag for individual cars/drivers will be Turn-5, Turn-11, and Start Stand. Black flag stops will be conducted at west end of west pit lane.
- **Live Timing:** Live timing will be available on the Speedhive App
- **Pit Space Assignments:** NASA Utah will assign pit spaces in the Endurance Driver's meeting. Teams may not be given a choice of space. Teams can [make a request](#) to pit next to other teams or cars and we will try to accommodate their requests. GP garage rentals will include one pit space *near* the garage IF your team fills out the request form. Pit space requests are **due by Wednesday 7/26/2023**
- **Pit Space Equipment:** UMC provided extinguishers do NOT count towards the minimum equipment required in each pit space. Please leave UMC extinguishers on the pit lane wall.
- **Cleanup:** Please clean up your pit space, garages, and paddock area before leaving. No tape or other marking should remain on pit lane.
- **CREW:** All crew must report to the NASA Utah office before the race to sign the waiver and get a crew wristband. Nobody will be allowed on pit lane without a wristband.
- **Fuel:** [IMPORTANT FUEL INFORMATION](#) (PDF)
- **Fueling:** All fueling must be done on pit lane in accordance with the NASA Endurance Racing Regulations. DO NOT FUEL in garages.
- **Fuel Containers:** We will allow standard, unmodified, auto parts store style 5 gallon fueling containers for fueling. If you question whether yours is legal, please verify with race director.

- **Car Lights:** Please verify that all your required lighting works prior to the start of the race. We do ask that all teams adjust forward-facing lights in a manner to not blind cars ahead of them.
- **Penalties:** Will be served by the “Timed” method as outlined in the Endurance Racing Rules.
- **Tire Disposal:** UMC no longer provides tire disposal, all tires must be hauled off premises. Any team found leaving tires on-site will be billed \$10 PER TIRE for disposal.
- **PODIUM/TROPHIES:** We’ll be doing Podium Ceremony on the front straight at midnight!!
- **IMPORTANT LINKS:**
 - [Pit Space Request \(Optional\)](#) – **(Due by 7/26/2023)** If you have rented a GP Garage and want your pit space near it, or if you’re sharing crew with another team and need to be collocated, please let us know.
 - [Fuel Availability](#) – Do you need race fuel? Better read this.
 - [Sunchaser Info Page](#) – Need to find any info on the Tooele Storage Sunchaser? It’s all here.
 - [NASA Utah / UMC Supplemental Regs](#) – NASA Utah and UMC Rules for all 2023 events

Thank You, we’re excited to see all of you!
